ALLERGEN INFORMATION

ALLERGEN INFORMATION

All our food is freshly prepared each day. If you have an allergy or intolerance, please inform your server before ordering. Food is prepared in an environment where allergens are present. We take great care to prevent cross-contamination. We cannot guarantee that dishes will be 100% free of allergens. Some of the products we are using are made in a factory that handles: Peanuts & other nuts, sesame seeds, cereals containing gluten, milk, egg, celery, mustard and sulphites. For good practice, we cannot guarantee that any of our dishes are 100% allergen free.

Please talk to a member of staff for more information. On each page, a coconut tree icon denotes which specified allergenic ingredient is present in that dish. Sometimes the ingredient is not included in the menu description but may be part of a sauce for example.
